NOTICE OF NONCOMPLIANCE

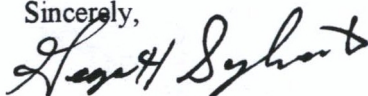

Dear Ms. Paul:

I have obtained the 1994 Hazardous Waste Generation & Management Form from your office in preparation for submitting an updated annual report for the Van Waters & Rogers Inc. (VW&R) Portland, Oregon facility, as agreed in our response to your December 5, 1996 letter. As you are aware, we agreed to submit this update thirty (30) days from the receipt of your letter, however, after reviewing the Hazardous Waste Generation & Reporting Form several questions have been raised which will delay the submittal of this update.

I believe the questions would best be addressed in a meeting with you at your earliest convenience after you return from your vacation. I may be contacted at the above address to arrange a meeting date.

Thank you for your cooperation.

Sincerely,

George H. Sylvester
